Thanks Chris

But my question would be why is she submitting for approval the 2015 budget in November of 2015? Is this for 2016? I'm confused.

This is what Jessica sent in as annual report for 2015. As you can see though, she hadn't received list of businesses which usually gets sent by City first in order to be accurate on budget.

Subject: BID 2015 Annual Report

Hi Taneda,

Please see the attached 2015 report. I didn't receive the spreadsheet with our current businesses from the city so I kept our budget the same as the previous year. Which only seems fitting since we still haven't received funds from the previous years budget, so how could we really budget on funds 2 years in advance? I know it's not you, it's the system. I really appreciate your help with getting us some funds.

If you need me to change anything on here, I'll need the list of businesses within our BID boundaries that the city is supposed to update and send to us. I really hope this works though, we are very low on

funds and owe vendors money.

Thank you!
